

## **College Policy for the Management and Use of Chapel**

The use of chapel is managed by the Chaplain, who is at present a Governing Body fellow. S/he exercises this duty under the oversight of the College Principal and Chapel and Music Committee, which deals with any policy issues which may arise in relation to the use of the chapel. In the management of chapel, the College exercises the same regard to the freedom of speech as governed by the College statutes, By Laws and policies, holding this in balance with the status of the College chapel as a consecrated space and the requirements of other legislation including the PREVENT strategy.
